TO
THE MEMBER
HODA WELFARE FOUNDATION

HON'BLE MEMBERS

The executive committee of your organization feels pleasure to present its annual report for the year ending 31st march 2021. During the year our achievement, vision, mission, programme & Activities are as follows: -

VISION

The work of the organization has been guided by its vision of establishing a just democratic non-violent society where the citizens enjoy rights of education, health, livelihood without discrimination by gender and class, live in mutual co-operation and perform their responsibility without any hindrance.

MISSION

Our mission is to facilitate directly and through networking non-violent and peaceful collective action and create replicate and activate structures and systems to cater to the need of poor so as to eliminate exploitation and provide opportunities for their growth and upliftment of their economic and social status.

PROGRAMME & ACTIVITIES

SKILL DEVELOPMENT TRAINING PROGRAMME

Hoda Welfare Foundation is dedicated to empowering individuals in Bihar with the skills and knowledge needed to succeed in the rapidly evolving job market. Our Skill Development Training Programme aims to bridge the gap between job seekers and employers by providing relevant training and certification in high-demand sectors.

We offer training programmes tailored to the needs of key industries in Bihar, including manufacturing, construction, hospitality, healthcare, and information technology. Our initiatives provide participants with hands-on training and certifications to enhance their employability in these sectors.

Contributing to local economic development and reducing unemployment rates through skill development initiatives.

Promoting entrepreneurship and self-employment opportunities, leading to the creation of small businesses and income generation.

Enhancing employability prospects and facilitating job placements for graduates in various industries.

COVID 19 AWARENESS PROGRAMME

Hoda Welfare Foundation recognizes the critical importance of raising awareness about COVID-19 and promoting preventive measures to combat the spread of the virus. Our COVID-19 Awareness Programme aims to educate communities in Bihar about the virus, its transmission, and ways to protect themselves and others.

We conduct community-based education and awareness campaigns to disseminate accurate information about COVID-19, including its symptoms, modes of transmission, and preventive measures. Our initiatives aim to dispel myths and misconceptions surrounding the virus and promote evidence-based practices.

We distribute informational materials such as posters, leaflets, and brochures containing COVID-19 prevention guidelines and hygiene practices. These materials are distributed in communities, public spaces, and healthcare facilities to reach a wide audience and reinforce key messages.

We train community volunteers and frontline workers to serve as COVID-19 awareness ambassadors, providing them with the knowledge and skills needed to educate their communities and address questions and concerns about the virus. Our initiatives aim to empower local leaders and influencers to play an active role in promoting COVID-19 prevention.

We distribute hygiene kits containing essential items such as masks, hand sanitizers, and soap to vulnerable communities, particularly those with limited access to hygiene resources. These kits help individuals and families practice proper hygiene and protect themselves against COVID-19.

RUNNING SCHOOL EXPENSES FOR ALPHABET KIDS

Hoda Welfare Foundation is committed to providing quality education and holistic development opportunities to underprivileged children in Bihar through our Alphabet Kids Programme. This initiative aims to cover the running expenses of schools serving children from marginalized communities, ensuring access to education and breaking the cycle of poverty.

We provide financial support to cover the running expenses of schools serving children from marginalized communities, including teacher salaries, school supplies, infrastructure maintenance, and other operational costs. Our initiatives aim to ensure that schools have the resources needed to deliver quality education and support children's holistic development.

We offer scholarships and educational support to underprivileged children, enabling them to access quality education, including school fees, uniforms, textbooks, and transportation assistance. Our initiatives aim to remove financial barriers to education and promote school attendance and retention.

We organize teacher training workshops and capacity-building programmes to enhance the skills and effectiveness of educators working in schools supported by the programme. Our initiatives aim to improve teaching quality, student engagement, and learning outcomes.

We engage parents and communities in children's education through awareness campaigns, parent-teacher meetings, and community events. Our initiatives aim to build trust, foster collaboration, and strengthen the support systems needed to promote children's educational success.

WOMEN EMPOWERMENT PROGRAMME

Hoda Welfare Foundation is deeply committed to empowering women and advancing gender equality in Bihar. Our Women Empowerment Programme aims to address the unique challenges faced by women and girls, promote their rights, and create opportunities for their socio-economic advancement.

Enhancing women's access to healthcare services and reproductive health education, leading to improved maternal and child health outcomes and reduced mortality rates.

Raising awareness about women's rights and legal protections, empowering women to assert their rights and seek justice in cases of gender-based violence and discrimination.

Promoting gender equality and women's leadership in governance, education, and economic sectors, leading to increased women's representation and participation in decision-making processes.

Empowering many of women and girls with education, skills, and economic opportunities, leading to increased socio-economic empowerment and improved livelihoods.

HIV/AIDS AWARENESS PROGRAMME

Hoda Welfare Foundation is dedicated to raising awareness about HIV/AIDS and promoting preventive measures to combat the spread of the virus in Bihar. Our HIV/AIDS Awareness Programme aims to educate communities, reduce stigma, and empower individuals to protect themselves and others from HIV infection.

Facilitating access to HIV/AIDS treatment, care, and support services for people living with HIV/AIDS, improving health outcomes and quality of life for affected individuals and their families.

Reducing stigma and discrimination associated with HIV/AIDS through advocacy, sensitization workshops, and community dialogue sessions, creating a more supportive environment for people living with HIV/AIDS.

Engaging high-risk populations and vulnerable communities in HIV testing and counseling services, leading to increased uptake of HIV testing and early detection of HIV infection.

HEALTH & FAMILY WELFARE PROGRAMME

Hoda Welfare Foundation is deeply committed to promoting health and well-being among families in Bihar through our Health & Family Welfare Programme. This initiative aims to improve access to healthcare services, enhance maternal and child health, and empower families to lead healthy and fulfilling lives.

Raising awareness about health topics and promoting healthy behaviors and practices through health education and awareness campaigns.

We organize health camps and outreach programmes to provide primary healthcare services, screenings, and health education to underserved communities. Our initiatives aim to improve access to healthcare services and promote early detection and treatment of health conditions.

We offer maternal and child health services, including prenatal care, postnatal care, immunizations, nutrition support, and family planning counseling. Our initiatives aim to improve maternal and child health outcomes, reduce maternal and child mortality rates, and promote healthy pregnancies and childbirth.

We provide family planning counseling, contraceptive services, and reproductive health education to empower individuals to make informed choices about family planning and reproductive health. Our initiatives aim to promote reproductive rights, reduce unintended pregnancies, and improve access to family planning services.

We conduct health education and awareness campaigns on various health topics, including hygiene, nutrition, sanitation, disease prevention, and maternal and child health. Our initiatives aim to empower individuals and communities to adopt healthy behaviors and practices for improved health outcomes.

CHILD LABOUR WELFARE PROGRAMME

Hoda Welfare Foundation is dedicated to combating child labour and promoting the welfare of children in Bihar through our Child Labour Welfare Programme. This initiative aims to rescue, rehabilitate, and reintegrate child labourers into mainstream society while advocating for policies and measures to prevent child labour.

We collaborate with government agencies, law enforcement authorities, and community stakeholders to identify, rescue, and rehabilitate child labourers. Our initiatives provide rescued children with access to education, healthcare, counseling, and vocational training to support their holistic development and reintegration into society.

We offer educational support services to children at risk of or engaged in child labour, including scholarships, remedial classes, and bridge courses. Our initiatives aim to improve access to quality education and promote school retention among vulnerable children, reducing their vulnerability to exploitation.

We raise awareness about the rights of children and the harmful effects of child labour through advocacy campaigns, workshops, and community events. Our initiatives aim to mobilize public support, influence policy change, and promote a culture of child rights and protection.

We provide livelihood support services to families of rescued child labourers, including vocational training, microfinance assistance, and income-generating activities. Our initiatives aim to address the root causes of child labour by improving economic opportunities and reducing poverty in vulnerable communities.

WOMEN & CHILD WELFARE PROGRAMME

Hoda Welfare Foundation is deeply committed to promoting the welfare and rights of women and children in Bihar through our Women & Child Welfare Programme. This initiative aims to address the unique needs and challenges faced by women and children, empower them with

access to education, healthcare, and support services, and advocate for their rights and well-being.

We offer women empowerment initiatives such as vocational training, entrepreneurship development, financial literacy, and leadership workshops to empower women economically and socially. Our initiatives aim to enhance women's skills, knowledge, and confidence to participate fully in decision-making processes and improve their socio-economic status.

We provide child protection services, including rescue, rehabilitation, and support for children at risk of abuse, exploitation, and neglect. Our initiatives aim to ensure the safety, well-being, and rights of children through advocacy, awareness campaigns, and capacity-building programmes for stakeholders.

Improving access to healthcare services and promoting healthy behaviors among women and children, leading to reduced maternal and child mortality rates and improved health outcomes.

Promoting access to quality education and school retention among children, especially girls, through education support services and awareness campaigns, enabling them to realize their full potential and contribute to society.

PLANTATION PROGRAMME

Hoda Welfare Foundation recognizes the importance of environmental conservation and sustainable development in Bihar through our Plantation Programme. This initiative aims to promote afforestation, biodiversity conservation, and environmental awareness to mitigate climate change and enhance ecosystem resilience.

We undertake afforestation and reforestation activities to restore degraded ecosystems, conserve biodiversity, and sequester carbon. Our initiatives involve planting native tree species, establishing green corridors, and rehabilitating degraded lands to enhance ecosystem resilience and promote environmental sustainability.

We engage local communities, schools, and youth groups in plantation drives, environmental awareness campaigns, and biodiversity conservation activities. Our initiatives aim to foster community ownership, participation, and stewardship of natural resources, promoting a culture of environmental responsibility and sustainability.

We provide training and capacity-building programmes to equip communities with the knowledge and skills needed to undertake sustainable land management practices, such as agroforestry, soil conservation, and water harvesting. Our initiatives aim to empower communities to adapt to climate change impacts and improve their livelihoods through sustainable agriculture and natural resource management.

Mobilizing and empowering local communities to take ownership of environmental conservation efforts through active participation in plantation drives, awareness campaigns, and capacity-building programmes.

CULTURAL PROGRAMME

Hoda Welfare Foundation recognizes the importance of preserving and promoting cultural heritage and diversity in Bihar through our Cultural Programme. This initiative aims to celebrate and showcase the rich cultural traditions, arts, and heritage of Bihar while fostering community engagement, social cohesion, and cultural exchange.

Engaging communities in cultural activities and programmes, promoting social cohesion, unity, and pride in cultural identity.

Supporting artists, performers, and artisans in Bihar through cultural performances, exhibitions, and workshops, contributing to cultural entrepreneurship and economic empowerment.

Promoting cultural education and awareness among youth and community members, fostering appreciation and understanding of Bihar's cultural traditions and values.
